***2026 Winners***

## How Voting Works

The Best of Germany 2026 results are calculated by polling military community members living in Germany via the [www.StripesEurope.com](http://www.StripesEurope.com) website. There are two phases:

### Phase One: **Nominations**

Voters had the opportunity to write in nominations for their favorite local business in each category. The nomination survey was open for two weeks in June 2025.

### Phase Two: **Voting**

All nominated businesses were compiled into a survey, which was available for public voting for two months, July and August 2025.

Winners are determined by having the highest total number of votes within their category for a single region. In the case of a tie, both businesses are declared winners.

## **Undefeated CHAMPIONS**

These businesses have ousted the competition to win your votes every year since 2014.

**Europa Park** is the **Best Amusement Park** according to voters in Bavaria, the KMC and Stuttgart.

**Dürkheimer Wurstmarkt** in Bad Dürkheim is the **Best Festival** in the KMC.

**MediaMarkt** is the **Best Electronics Store** in both Bavaria and Stuttgart.

**The Auld Rogue** is the **Best Bar or Pub** in Stuttgart.

**OBI** is the **Best Home Improvement Store** in Bavaria.

## By the Numbers

## New Category: BEST PET STORE

### Fressnapf

For the first time, the Best of Germany nominations asked you to tell us about your favorite pet store and voters in both Bavaria and Kaiserslautern chose Fressnapf. With nearly 1,000 stores in Germany, this franchise provides food and supplies for pet owners of all kinds, from cats and dogs to horses and tortoises. Other convenient services like pet scales, water quality testing, and ID engravers make Fressnapf stores a top choice.

## First-Time WINNER: BEST VEGAN RESTAURANT

### Yuicery

Finding tasty vegan or vegetarian fare in Stuttgart just got easier! You voted for Yuicery, and this place is amazing. Started in 2014 as a fresh juice distributor, Yuicery expanded into a fully vegan cafe that is certified with the V-label.
