BEST OF GERMANY AWARDS

BEST OF THE BEST

The Stripes Best of Germany 2019 recognizes the businesses, organizations and destinations that have made our readers feel at home in Germany. You dished on the good, the great and the best. We feel privileged to share this information with Stripes readers.

How it works — We've highlighted the top choices that received the highest number of votes for every category (such as Asian restaurant or furniture store) in each community. Those with the most votes were highlighted as winners. When possible, we also listed runners-up. If we could not identify a winner for a category, we didn't give an award.

Ready to see the winners?

Keep reading to discover the best of the best —tempting travel, excellent eateries, standout services and much more. For addresses and websites, check the **Winners' Directory on page 16.**

The Best of Germany 2019 promotion is a result of feedback received from Bavaria, Kaiserslautern, Rhein Main-Wiesbaden and Stuttgart military community members. Readers submitted online ballots. For each region and category, entries that received the most votes were declared winners and are featured in this publication. Top pick awards were given to entries with the most votes in each section and region. If winners could not be determined in a given category, awards were not given.
