COMMUNITY NEWS
Living here presents many opportunities to experience the diverse Pacific region. Stars and Stripes provides a variety of information regarding travel, culture, local news and more to help you make the most of your tour. Our community publications are distributed in Guam, Japan, Okinawa and Korea.

Pick up your free copy at one of the 800 locations throughout the Pacific region — look for the bright blue Stars and Stripes boxes located on installations.

You can also contribute to Stars and Stripes in the form of article submissions, reviews, or suggestions. We capture most of your contributions in special publications such as “Best of the Pacific,” “Destination Paradise” and “Welcome to the Pacific,” which are published in three separate editions for Guam, Japan and Korea.

Our community sites serving Guam, mainland Japan, Okinawa and Korea help you navigate life in the Pacific with tips, reviews, experiences, and other useful information.

For the past 19 years, members of the military community have been giving us their recommendations for the Pacific's best of the best. Every year, we tally the votes and gather the honest opinions from your neighbors, coworkers and community members that go into your Best of the Pacific magazine. This guide will help you find the best places to shop, best restaurants on and off base, reputable car dealers and more. This valuable information will help make your transition to Guam, mainland Japan, Okinawa and South Korea easier.

Inside you'll not only find out who the Best of the Pacific is for each category, but also why people voted for them. For even easier access to the winners, head online to bestofpacific.stripes.com and bookmark the page.

We are each other's greatest resource, and this is a great way to know where to tune in for some good radio or where to go for a fun Sunday brunch like The New Sanno in Tokyo or Le Pain Cafe Bakery in Korea. Looking for cell service on Okinawa? Steven Burroughs from Kadena Air Base recommends au because, "They have real good prices and their staff is always helpful."

Just like the community content from Stars and Stripes, all of this insider info and magazine are FREE! From our community newspapers in the blue boxes on base — Stripes Japan, Stripes Okinawa, Stripes Guam, Stripes Korea — to our four websites below, we have you covered!

We couldn't have made this magazine without you. And because to us the Best of the Pacific is every one of you, we entered each person who voted into a raffle to win one of six gift cards of up to $300 dollars. Neil Engel and Lisa Thompson from Camp Humphreys, Jun Reed from Yokota Air Base, Jacob Pittman from NAF Atsugi, and Shirley Villacis and Andrew Decker from Yokosuka Naval Base took a few minutes to vote and now they're a little richer for the experience (see Page 40). Congrats and thank you for voting!

We really enjoyed hearing from you and want everyone to know that the feedback doesn’t need to stop with casting your vote for the Best of the Pacific. You can find us in the blue boxes, online and on social media. Send us a message and please don’t forget to follow us on Facebook and Twitter @StripesPacific and Instagram @starsandstripespacific!

Congratulations to this year’s gift card winners!

Six lucky voters in this year’s contest found it pays, in more ways than one, to make their voices heard about what they think is best.

Jun Reed  Yokota

“My Family and I have enjoyed the cultural experience of living in Japan, especially the food. We’ll use the card mostly on school supplies and a few home essentials.”

Jacob Pittman  Atsugi

“The best thing about Japan is the culture and the yummy fresh sushi! And this card will be used to buy things for our dogs. They are spoiled rotten.”

Jun Reed

Jacob Pittman
"The New Sanno is the best, always a treat, clean, perfect location in Tokyo, awesome restaurants, and the most helpful staff!"
- Melissa Edwards, Osan AB

"Spacious rooms and location is perfect for those who are visiting mainland!"
- Esmeralda Gastelum, Kadena AB

"Close to a lot of attractions and very good accommodations if looking for an American-style hotel."
- Luis Fernandez, CFA Chinhae

"Great location in Seoul for those that love to shop. Kept clean with very nice staff."
- Larry Borum, Camp Foster

"It’s a beautiful place."
- Daniel Paulsen, Camp Carroll

"Nice and close to other beautiful beaches in Okinawa."
- Jeremiah Hogue, Camp Humphreys

Neil Engel
Humphreys

"Camp Humphreys offers a lot of what Yongsan used to offer and allows for the greatest exposure to South Korea available and its immensities. We will spend the gift card on online movies for the kids as we transition into the wet season."

Lisa Thompson
Humphreys

"I really enjoy the culture of South Korea, from its historical sites and modern cities, to its food scene. People here are nice and very sociable, always willing to assist, even with the language barrier. Food culture here is unbelievable, from mandu to bibimbap to teokbokki. From my location at Camp Humphreys, it’s an easy travel to Seoul, Daegu and even Busan. I will probably use the card to buy my mother a birthday gift."

Shirley Villacis
Yokosuka

"We’ve only been at Yokosuka for a couple months and it’s been a great experience. My family and I are in awe of Japanese culture and history. The food is amazing, but still working on my chop stick skills! While we’re in this location, we plan on visiting nearby countries like Thailand, Philippines, and Australia. I will use this gift card towards buying a Nintendo Switch for my older son’s birthday present when he turns 6 years old this summer."

Andrew Decker
Yokosuka

"The food in Japan is amazing. I love being able to eat food from all around the world right outside the gate, along with having some of the best restaurants in the world a short train ride away. We’ll use the card for some books for my daughter (8) on being a zoo veterinarian. She’s told us that’s what she wants to be when she grows up, and the books are a great way to encourage her while tricking her into reading and learning."
