# BEST OF THE PACIFIC

★ 2021-22 ★

# You are still the Best of the Pacific!

Every year, we ask our readers to tell us who the best of the best are in the Pacific. Every year, no obstacle, not even an ongoing pandemic, has stopped you! And this year, we had a record number of Best of the Pacific votes!

The votes are from your neighbors, coworkers and community members on base, so look to this magazine as a guide for recommendations in your area. If you're looking for a reputable car dealer, the best place to shop on or off base, or even the best place to grab a bite, turn these pages and see what the voters had to say.

For the past 17 years, Stars and Stripes has been tallying up the votes of the military community and sharing the valuable information for the sole purpose of making your transition here easier. And to make access to this essential information easier, visit and bookmark [bestofpacific.stripes.com](http://bestofpacific.stripes.com).

We're committed to bringing you all the information you need online and in print. This magazine is your magazine and as you flip through, you will see the words of your fellow colleagues and neighbors echoed throughout. This is a compilation of word-of-mouth and votes. In here, not only will you find out who the Best of the Pacific is for each of the categories, but you will also find out why they won.

We are each other's greatest resource, and this is a great way to know where to tune in for some good radio or where to go for a great meal (Islander Terrace at the Hilton Guam Resort & Spa is where you want to go for Sunday brunch on the island). Or, if you need a cellphone provider in Korea, word on the street (or in this magazine) is to check out LG U+. Chance Burkett from USAG Humphreys says LG U+ "always has service, easy to set up, not expensive."

Best of all, this insider info and the magazine are FREE, just like all the community content from Stars and Stripes!

From our community newspapers in the blue boxes on base – Stripes Japan, Stripes Okinawa, Stripes Guam, Stripes Korea – to our four websites below, we have you covered!

We couldn't have made this magazine without you. So, as a token of our appreciation, every person who voted was entered into a raffle to win one of three gift cards of up to \$300. LS2 Ericson Regio from Misawa, Sara Pagano from Yokosuka and TSgt Richard S. Sexton, Jr. from Osan probably spent a combined 15 minutes to vote and now they're a little richer for the experience (See Page 4). Congrats!

We really enjoyed hearing from you, and we want everyone to know that the feedback doesn't need to stop with the BOP voting. So, let us know what you think! Our community websites are up 24/7 and you can reach us on Facebook. Send us a message, and please don't forget to follow us – @StripesPacific!

# Congratulations to this year's gift card winners!

Three lucky voters in this year's contest found it pays, in more ways than one, to make their voices heard about what they think is best.

**Richard S. Sexton, Jr.**  
(Osan AB)

**Q1: What's the best thing about your current location in the Pacific?**

It is hard to nail this down to one item. There is so much to do here in South Korea. It seems like my wife and I have been exploring our local area in Pyeongtaek through cafés. Our intent may have been to go out hiking or pick a random place for food, but we still find ourselves stopping off at a café before returning home. The locals are always helpful and excited to see us.

**Q2: What are you going to buy with your gift card?**

We plan on using the gift card at our local BX here at Osan to purchase workout apparel and other items. It seems like every three visits results in us purchasing something from the active clothing section that we've been looking at.

**Sara Pagano**  
(Yokosuka Naval Base)

**Q1: What's the best thing about your current location in the Pacific?**

The best thing about living in Japan is the opportunity to travel and explore our host nation. It might not look the way we thought it would when we moved here, but we're very thankful to be here. The best thing about Yokosuka, in particular, is the community. We have a great caring and helpful community here.

**Q2: What are you going to buy with your gift card?**

I plan to buy a new travel bag because my last travel duffel had its last dance on our recent trip to Kyoto and Osaka.

**Ericson Regio**  
(Misawa AB)

**Q1: What's the best thing about your current location in the Pacific?**

Close to my family and friends.

**Q2: What are you going to buy with your gift card?**

Food!

# Best AFN Radio Personality

Japan

Small Base

**MC2 Cathrine Yanez**  
(Sasebo)

"I attribute my success to the amazing people at Harbor View Café for supplying me my daily dose of coffee, my team at AFN for supporting me in being creative and my husband for helping me come up with ideas. Success for me is defined by taking a task that may be mundane and flipping it around to make it something fun, and in this case, entertaining and informational!"

- MC2 Cathrine Yanez

She has a friendly personality that makes you feel energized and excited for her show."

-Maria Aguirre, Sasebo Naval Base

"Energetic, enthusiastic, and funny. Great motivator in the AM."

-Nate Moon, Sasebo Naval Base

**SSgt Brendan Miller & MC2 Kristen Yarber**  
(Tokyo)

"My secret is 100 pushups, 100 sit-ups, 100 squats and a 10 kilometers run. Every. Single. Day."

- SSgt Brendan Miller

"The secret to my success is two hard boiled eggs and an iced coffee."

- MC2 Kristen Yarber

Great music and voice."

-Henry Nakagawa, Camp Zama

"Always entertaining!"

-Caleb Bailey, Camp Zama

Okinawa

**MC2 Michael Eckelbecker**

"At the risk of sounding corny, my secret to success is my listeners. I mean, in this case, they quite literally put me here by voting for me. But outside of that, I've gotten calls from listeners when my throat was sore, asking if I was doing okay, or to let me know that they are getting ready to PCS but they've enjoyed listening to the show, or to say that they really liked the information from the last interview. When I can come in every

day and see so clearly that my listeners value what I do, it's hard to not succeed."

- MC2 Michael Eckelbecker

I like his special guests and music selection is good."

-Buddy Ellis, Camp Foster

"Plays great music and has a nice tone in his voice."

-Ashley Bren, Kadena AB

Small Base

**SrA Stephanie Gelardo**  
(Kunsan)

"My secret to success is that I continue to learn and grow. I learned to be kinder to myself and whatever expectations I set for myself. Even when I didn't meet them, I gave myself space to breathe. I used that time to rest and reset and would cycle through routines until I found something useful. My biggest takeaway from this year has been when everything feels like it's spiraling out of control, it means I've

stacked too much on my plate, and I should take a moment and prioritize my tasks. All I need to do is set my plate back on the table, slide some items off onto different plates, and prioritize one plate. This is especially helpful when my priorities clashed with others' expectations. Also, I make an effort to step away from my desk throughout my day - this gives me an opportunity to stretch and give my brain a rest."

- SrA Stephanie Gelardo

DJ Redd is always entertaining to listen to! And she is always a big promoter of the FSS on base!"

-Trevor Story, Kunsan AB

"She is always so happy in the morning it really helps get me going for my day."

-Justin Talbert, Kunsan AB

**SrA Briana Céspedes**  
(Humphreys)

Big Base

"My secret for success is number one, giving some flavor by bringing out my Latina personality and, number two, picking educational topics. My goal as a DJ is to inform and have fun with my audience. Divertido!"

- SrA Briana Céspedes

I really enjoy listening to the conversations in the morning."

-Jerry Stanchik, Camp Casey

"Great start to my morning with interesting stories!"
