You are Best of the Pacific!

or the past 21 years, Stars and Stripes has been asking the military community for their votes on the Pacific's best of the best.

Every year, we tally up the votes and gather comments from your neighbors, coworkers and community members for our annual Best of the Pacific magazine.

This guide will help you find the best places to grab a "quick nine," purchase a car, get a dental cleaning and more. These awesome recommendations will help make your time in Guam, mainland Japan, Okinawa and South Korea fun.

Inside you'll not only find out who the Best of the Pacific is for each category, but also why people voted for them.

It's always good to get a little help from your friends, and this magazine is where they will let you know where to head for Sunday Brunch and to shop off base. Looking for cell service in Japan? Deavon McWashington from NAF Atsugi said Softbank is "AMAZING!"

Just like the community content from Stars and Stripes, all this insider info and magazine are FREE! From our community newspapers in the blue boxes on base — Stripes Japan, Stripes Okinawa, Stripes Guam, Stripes Korea — to our four websites below, we have you covered!

Without you, this magazine wouldn't exist. You are truly the Best of the Pacific, and as a token of thanks for voting, each person who voted was entered into a raffle to win one of six gift cards of up to \$300. Earl Murray from Kadena AB, James West from Camp Humphreys, Tiffany Brady from Osan AB, Scott Maskery from Kadena and Angela Rose from Guam took a few minutes to vote and now they're a little richer for the experience (see Page 7). Congrats and thank you for voting!

Whether you're voting for the Best of Pacific or sharing your story with us, we love hearing from you. You can find us in the blue boxes, online and on social media. Want to send us a message? Check out our websites and get social with us on Facebook and X @StripesPacific and Instagram @starsandstripespacific!

Congrats to our gift card winners!

Six lucky voters found it pays, in more ways than one, to make their voices heard about what they think is the best.

Q1: What's the best thing about your current location in the Pacific?

Q2: What are you going to buy with your gift card?

Earl Murray (Kadena)

- A1: I really enjoy the slower pace of Okinawa compared to other areas in Asia.
- **A2:** Plan on buying some new kitchen appliances for the house.

Earl Murray

James West

James West (Humphreys)

- A1: Humphreys is a pretty massive place and there are lots of things to do. I love the ease and access of transportation to get across base and around the city.
- A2: I would like to buy some basketball shoes and some school supplies for college.

Tiffany Brady

Tiffany Brady (Osan)

- A1: The best part is being able to experience a new place and culture.
- A2: We will put it to use when we PCS in a few months.

Angela Rose (Guam)

- A1: Best thing about our current location is the food and beaches. The ocean pool is amazing.
- **A2:** We are going to buy gifts for our kids.

Scott Maskery (Kadena)

A1: There are several "best things" about being in Okinawa. My job keeps me connected to the military community – and we enjoy that aspect about being in Okinawa very much. My wife and I really enjoy the location for its off-base community, access to travel around the Indo-Pacific region, good weather conditions, and great food in Okinawa.

Scott Maskery

A2: I will most likely share the gift card with my wife... and she'll "let me know what we are buying with it."

Meriam Henara (Hansen)

- A1: The beautiful teal ocean and the kind Japanese people.
- A2: My favorite health foods.

"What is your key to success?"

Misawa "Power Play" Small base

I'm always speaking to someone I care about, whether it's someone who just got here, or it's someone who needs a little distraction. Focusing on a singular listener helps me get the job done right."

SSgt Skyler Combs

SSgt Marcus "Ya Boy" Taylor

I like to think that my enthusiasm for radio and the fact that I love being a DJ gets passed along to our listeners. My number one goal while on air is to be as entertaining as possible so in that way I always want the listener to be engaged."

I would have to say my support system! I never would have gotten to where I am today without the strong support from my wife, my friends, my family and of course the audience that continues to listen to us here at AFN."

SrA Alana "DJ Love" Wright

My real answer would be my daughter; she motivates me to be better. But I also grew up around a lot of yappers. Being surrounded by nonstop energy and passionate voices taught me to let actions speak louder than words. Regardless, it all comes down to family."
