You are Best of the Pacific!

For the past 22 years, you've been telling Stars and Stripes who is the Pacific's best of the best.

Every year, we tally up the votes and gather comments from your neighbors, coworkers and community members for our annual Best of the Pacific magazine.

This guide will help you find the best places to grab a tasty meal, bowl that perfect 300, get a dental cleaning and more. Make your time in Guam, mainland Japan, Okinawa and South Korea fun with these tried-and-true recommendations.

Inside you'll not only find out who the Best of the Pacific is for each category, but also why people voted for them.

It's always good to get a little help from your friends, and this magazine is where they will let you know where to head when your furry friend has a tummy ache and where to go for some retail therapy off base. Looking for cell service in Okinawa? Brian Acevedo from Camp Foster said Softbank's service "on base and outside base is fantastic, including around the mainland!"

Just like all our community newspapers and publications, this insider info and magazine are FREE for you! From our community newspapers in the blue boxes on base — Stripes Japan, Stripes Okinawa, Stripes Guam, Stripes Korea — to our four websites below, we have you covered!

Without you, this magazine wouldn't exist. You are truly the Best of the Pacific, and as a token of thanks for voting, each person who voted were entered into a raffle to win one of four gift cards of up to \$150. Lakesha Jamison from MCAS Iwakuni, Maria Carmen Camua from Camp Humphreys, Alora Tash from Camp Foster, and Vanyiel Serrano Rodriguez from Guam took a few minutes to vote and now they're a little richer for the experience (see Page 7). Congrats and thank you for voting!

Want to share your story? You can find us in the blue boxes, online and on social media. We would love to hear from you! Check out our websites and get social with us on Facebook and X @StripesPacific and Instagram @starsandstripespacific!

Congrats to our gift card winners!

Four lucky voters found it pays, in more ways than one, to make their voices heard about what they think is the best.

Q1: What's the best thing about your current location in the Pacific?

Q2: What are you going to buy with your gift card?

Lakesha Jamison
(MCAS Iwakuni, Japan)

A1: The best thing about our location in the Pacific is definitely Yamaguchi. We live in the countryside, so it has that intimate small-town feel, but we're also centrally located, which makes it easy to access bigger cities and other beautiful prefectures.

A2: I'm planning to use the gift card to pick up some things for my daughter's birthday party.

Maria Carmen Camua
(Camp Humphreys, Korea)

A1: Being close to my family. I'm from the Philippines and the travel has become so much easier now that we are based in Korea. Also, being able to travel to neighboring countries in Asia is a plus.

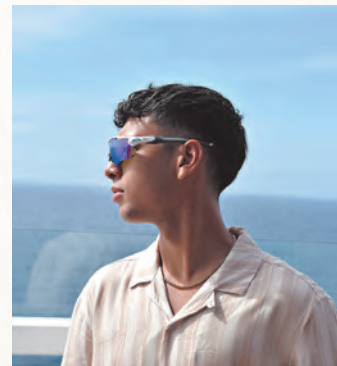

A2: I'll definitely share some of it with my kids and as corny as it may sound, I'm eyeing some EMF protectors for all the phones and gadgets we have at home.

Alora Tash
(Camp Foster, Okinawa)

A1: The people, culture, beauty and the ability to visit the ocean whenever I get the chance.

A2: We are getting ready to PCS and will purchase items we need to prepare for our move.

Vanyiel Serrano Rodriguez
(Guam)

A1: The best thing of my current location in the Pacific is the people. The island in general has lots to offer, you just have to go out and explore.

A2: What I intend to buy, well I still don't know yet because I didn't expect to be a winner, but in the future something might catch my attention.
