Leila

Leila Skyy! We are beyond proud of you and look forward to all the amazing things God has planned ahead.

— Mom and Dad

Bradyn

Congratulations! You have far exceeded the expectations! We are proud of you!

— Love Always Mom, Dad, and Brothers

Kai

Congratulations! We love you and are so proud of you! Continue to Trust GOD in your future endeavors!

— Love, Mom and Dad

Gabryella

From tutus to Graduation. You survived finals, conquered fears, you earned this! We are so PROUD of you!

— Mom & Dad

Cabrini

Congratulations "Cabrini Jean Taitano" and the Guam High School, Class of 2026!

— Love, The Family

THANKS TO THE COMMUNITY THAT SHAPED US!

On behalf of the Guam High School Class of 2026, we extend our deepest and most heartfelt gratitude to the village that has carried us through these unforgettable years. High school is often described as confusing, challenging, and transformative, and it is the people around us who steady our steps, ground us in purpose, and remind us of who we are becoming. There are no words vast enough to fully express the gratitude we feel for every person who helped guide us to the stage we will walk across this June. Every act of kindness, every moment of patience, and every bit of support has shaped us into who we are today.

Thank you to the dedicated staff of Guam High School for keeping our campus safe, welcoming, and running with unwavering consistency. To the ICAN workers who tirelessly clean up after our chaos, thank you for the pride you take in your work and for creating a clean, safe environment for us to learn in. To the office staff who signed every pass, answered every question, and kept everything organized behind the scenes, thank you for your patience and your constant willingness to help. You are the quiet heroes of our daily lives, and we appreciate you more than you know.

Thank you to our counselors, who have walked with us from our very first freshman schedules to the final confirmations of our senior year. Thank you for answering every last-minute email, for helping us navigate transcripts, recommendation letters, and schedule changes, and for supporting us as we tried to make sense of our futures in a world that often feels impossibly vast. Thank you for listening to our worries, calming our fears, and reminding us that it's okay not to have everything figured out. You helped us believe that we could find our place in the world, and that belief has changed us.

Thank you to our teachers. Your dedication is the backbone of our success. You have given us knowledge from textbooks, but also wisdom about life, resilience, and character. You pushed us, believed in us, and reminded us that our potential reaches far beyond the classroom. Thank you for the early mornings, the late nights grading, the extra help sessions, the encouragement, and the tough love when we needed it. You shaped our minds, but you also shaped our confidence, our curiosity, and our sense of who we can become.

Thank you to Ms. Watts. Your impact is immeasurable. The way you know every student by name, the way you genuinely care, and the way your presence fills our halls with warmth will stay with us long after we leave. You made Guam High feel like home. We will miss you deeply, and your kindness will continue to echo in our memories.

Thank you to our peers. Thank you to the graduating classes before us who showed us how to survive the highs and lows of high school. Thank you to the older friends who took us under their wings, who guided us, supported us, and helped us navigate a new school and a new chapter of life. Thank you to the younger classes for letting us see ourselves in you, for reminding us of where we started, and for allowing us to relive the memories of our early years through your eyes. You have shaped our experience in ways we will never forget.

Thank you to Ms. Cruz, our class advisor. Thank you for giving us the senior year we dreamed of. Your timelines, your organization, your guidance, and your contagious laughter made this year not only possible, but unforgettable. Thank you for advocating for us, for believing in us, and for making sure every detail was perfect. Every class you've touched has flourished because of your dedication, and we are honored to be one of them.

Thank you to our families, whether near or far. You have been our constant source of strength. Thank you for supporting us through every challenge, every late night, every triumph, and every doubt. Thank you for cheering us on, for pushing us when we needed it, and for giving us the space to grow. Thank you for the rides to school, the reminders, the patience, the sacrifices, and the love that carried us through these four years. As we step into the next chapter of our lives, we hope you continue to walk beside us.

The Class of 2026 has weathered more than most. We entered high school in masks, still emerging from the shadow of COVID. Our freshman year ended with a typhoon, and our senior year brought another. We experienced lockdowns, schedule changes, power outages, and moments where it felt like the world was testing us again and again. But we made it. We are here. And we are almost at the finish line. Our resilience is a reflection of the community that raised us.

As we approach graduation, we sit in gratitude, for what has shaped us and for what awaits us. Our opportunities are endless. Some of us will remain on island, contributing to the community that raised us. Others will travel far, exploring every corner of the world. Some will serve, some will study, some will work, and some will still be figuring it out, and that's okay. No matter where we go, we carry our village with us. Without you, it would have been far harder to see the possibilities ahead. Because of you, we step into the future with confidence, hope, and pride.

From the bottom of our hearts, thank you.

— With pride and gratitude,
Guam High School Class of 2026
