Isabelle Hartley,

Proud to be called Panthers

Throughout this past school year 2020-2021, we as the Senior Class, have faced many challenges, foremost Covid-19. But we have not let the pandemic control us. No, instead we have sought out other ways to alleviate the isolation and boredom so we can enjoy our last year of high school (and for many of us, our last year on the island) to the fullest.

Thanks to precautions taken by Guam High School and DoDEA Pacific West, we were able to go back to face-to-face learning. We were able to continue to have our extracurricular activities, celebrations and live our lives in defiance to the pandemic (though with a virtual aspect here and there) while always taking care to follow pandemic restrictions, but never allowing them to restrict our fun.

And so, we say we are proud to be called Panthers, for this school and the staff that warden it have made it their duty to always help us adjust and succeed, not only in the recent hardships, but ever since we first came to GHS.

The entire Senior Class wanted to say to all of the staff and faculty: We appreciate you and we will always cherish the help and fond memories we have made at GHS. We will always remember you and we will always be grateful to you! Si Yu'os ma'ase'!

Sincerely,

Guam High School Class of 2021
