YOUR PRESENCE WILL ALWAYS
BE ENGRAVED IN OUR HEARTS

We appreciate everyone who has played a significant role in helping us reach this bittersweet moment. Our time in high school has come to an end, and as we prepare to start a new chapter in our lives, we would like to reflect and thank those who have pushed us to reach this milestone.

To our parents, saying we're grateful would be an understatement. From being there for our first steps to watching us take the first steps into adulthood, your endless commitment to our growth does not go unnoticed. Throughout that time, you have taught us the value of hard work and resilience, and with many lessons learnt, you've built us to become the people we are today. Living our lives full of love and support is all thanks to you; you've given us a foundation to be comfortable to let go and share that love and support with the rest of the world.

To our teachers, thank you for being more than just our instructors; you've become family. As students, it can be hard to fit in, but throughout our lives, you've been there for us every time; accepting us into class, helping us make friends, and encouraging us to step out of our comfort zones. Some were mentors who helped us fight through difficult times, some were coaches who pushed us to be the greatest we could be, and some were friends that showed us that there's always someone rooting for you. To the entire faculty, your constant efforts in maintaining the school, from the moment we arrived to the moment we leave, has always been inspiring. With that being said, your presence will always be engraved in our hearts.

And finally to the Class of 2025. This is not the end, but the beginning of something greater. We were young. We were curious. And we were afraid: afraid of what's to come. But with the experiences we've gained, the lessons we learned, and the bonds we've made here in E.J.King, we are no longer afraid. We are no longer the same individuals who were afraid of the unknown. Now, let us carry forward the memories, the joy, the challenges, and the triumphs.

Once again, we appreciate everyone who has contributed to shaping us into who we are now and supported us till this moment. We wouldn't have been able to accomplish this endeavor without your existence and support. We are ready. As we stand taller than we used to, let's face the world with courage, resilience, and also with the same curiosity that brought us here.

With pride and gratitude,

THANK YOU FOR HELPING US CROSS THE FINISH LINE

As we, the Class of 2025, prepare to walk across the stage and turn the page to a new chapter in our lives, we pause to reflect on the incredible village that has brought us to this point. Graduation is more than a personal milestone, it's a shared achievement that belongs to everyone who has lifted us up along the way. On behalf of the senior class, I want to express our heartfelt gratitude to the parents, teachers, office staff, and PTO members who have played such a vital role in getting us here.

To our parents and guardians, thank you for being our biggest cheerleaders. You've driven us to early morning practices, stayed up late helping with homework, and supported us through every high and low. Your love has been our safe haven, and your sacrifices have laid the foundation for our success. From childhood to young adulthood, your belief in us has never wavered, and we carry that confidence with us into the future.

To our teachers and educators, you've done more than teach lessons; you've inspired growth, curiosity, and resilience. You've challenged us to think critically, speak boldly, and strive for excellence. Through every test, every project, and every moment of uncertainty, you reminded us of our worth and our potential. Thank you for your tireless commitment to shaping not just students, but future leaders.

To the office staff, you are the unsung heroes who keep everything running smoothly. You've greeted us with smiles, answered our endless questions, and kept things organized behind the scenes. Whether it was printing last-minute documents or helping us navigate the little things that make a big difference, your kindness and support have meant so much to us.

To the dedicated members of our PTO, thank you for your unwavering commitment to creating an environment where students feel valued and supported. From organizing fundraisers and events to volunteering your time and energy, you've helped make our high school experience something truly special. Your presence and involvement have brought life to our school community in ways that words can't fully express.

This graduation is not just a celebration of our hard work, but of yours as well. You've invested in us, believed in us, and stood beside us every step of the way. We are proud to represent you as we step into the next chapter of our lives. Thank you for helping us cross the finish line—with hearts full of gratitude and hope for the future.

With deepest appreciation,

YOU REMINDED US THAT
NO VICTORY IS WON ALONE

As we, the Class of 2025, embark into the next steps of our journey after high school. We would firstly like to both celebrate and appreciate the wonderful figures that have gotten us here. Today, we celebrate not only our accomplishments and achievements, but the unfaltering dedication, guidance, and love of those who have never left our side and helped shape us into the people we are today. We will never forget all of the amazing memories you have all brought us.

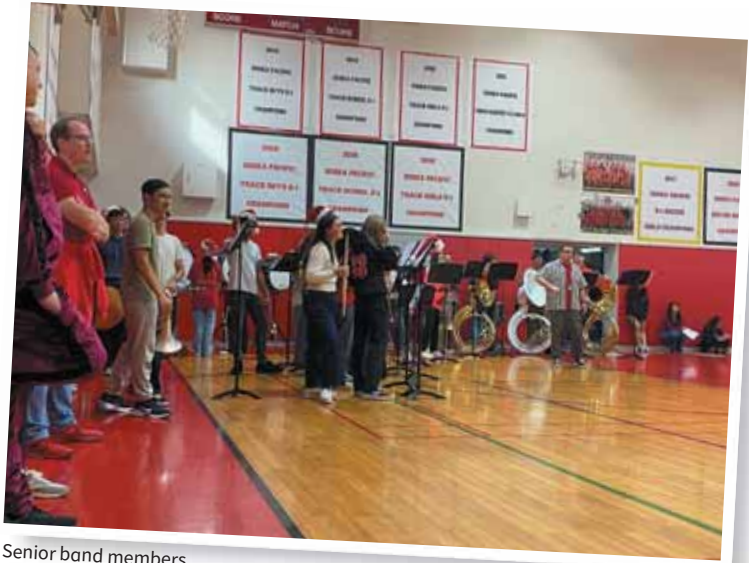

To our parents, thank you for being our first teachers, our strongest supporters, and our safe place to land. Through late-night study sessions, moments of doubt, and dreams that seemed too big, you encouraged us to keep going. Constantly reminding us that success is built on persistence and belief in ourselves. We could have never achieved the things we have without you.

To our educators, thank you for dedicating yourselves to helping us grow — not just academically, but as individuals. You challenged us to think critically, to strive for excellence. You taught us to be the best versions of ourselves through both books and persistence. Your lessons extended beyond textbooks; they became life lessons that we will carry with us wherever we go.

To the mentors, coaches, and friends who lent a listening ear, a motivating word, or a helping hand, we thank you all. The world often speaks of individual success, but we know that achievement is built on community. You reminded us that no victory is won alone.

As we step forward into the future, whether it's college, careers, or new adventures, we do so with gratitude that you were always there standing by our sides. The foundation you provided will serve as our guiding light, and no matter where we go, we will always remember those who helped us get here.

WE HAD A FANTASTIC GROUP OF PEOPLE
SUPPORTING US

As we get ready to turn the page on this chapter of our lives, we wanted to take a moment, on behalf of the entire Class of 2025, to say thank you.

High school has been a journey. Some days felt like they'd never end, and others flew by faster than we could blink. One thing stayed the same through all the ups and downs: We had a fantastic group of people supporting us.

To our parents, guardians, and families, you were our rocks. You encouraged us when we were overwhelmed, celebrated with us when we succeeded, and stood by us when things didn't go as planned. We may not always say it, but we see your sacrifices, and we're so grateful for your love and support.

To our teachers and school staff, you've done more than teach us subjects. You've taught us to be curious, to keep going even when things are tough, and to believe in ourselves. Thank you for your patience, your time, and for showing up for us day after day.

To our coaches, counselors, mentors, and every adult who's helped us along the way, you may not be in the spotlight, but your impact is huge. Whether it was a pep talk before a big game, a check-in when we were struggling, or just being someone we could trust, you mattered more than you know.

This moment doesn't just belong to us. It belongs to you, too. Because without your support, we wouldn't be standing here, ready to take on whatever comes next.

So, from all of us, thank you.

YOU HAVE MADE A LASTING IMPACT ON OUR JOURNEY

On behalf of the Class of 2025, I want to express our deepest gratitude to the people who have guided us, encouraged us, and stood beside us on this journey. Graduation is more than just a ceremony, it is a testament to the countless moments of hard work, perseverance, and support that have shaped us into who we are today.

To our parents and families, thank you for being our foundation. You have celebrated our victories, comforted us through challenges, and pushed us to become the best versions of ourselves. Your sacrifices, patience, and belief in us have given us the strength to keep moving forward.

To our teachers, thank you for dedicating your time and energy to helping us grow — not just academically, but as individuals. You have challenged us to think critically, inspired us to always strive for the very best, and reminded us that success is about more than just grades. Your lessons will stay with us long after we leave.

To the coaches, counselors, and all the other caring adults in our lives, thank you for being our guides, motivators, and role models. Whether it was through early morning practices, late-night study sessions, or words of encouragement, you have made a lasting impact on our journey.

As we prepare to step into the next chapter of our lives, we carry with us the lessons, values, and memories you have given us. We hope to make you proud as we continue to grow and press onward into the future. Thank you.

YOU DIDN'T JUST RAISE STUDENTS,
YOU RAISED GRADUATES

On behalf of the Senior Class of 2025, I want to say thank you. We've made it — cap and gown ready, memories packed, and futures waiting, and none of it would've been possible without the people who guided us here.

To our teachers and staff, thank you for sticking with us through every test, essay, project, and even the days we were just mentally not there. You gave us structure, patience, and your time, and it truly made a difference.

To our parents and families, thank you for the late-night pep talks, the rides, the celebrations, and the quiet moments of encouragement we needed more than we let on. You let us know that we could do anything and to always strive for the best.

To our coaches, who gave up their free time to not only help us be better at our chosen sport, but you shaped us to be better humans. All the lessons you instilled in us will follow us for the rest of our lives.

A huge shout out to the Teen Center, you've been more than just a hangout spot for teens. From helping us plan homecoming to stepping in with support for every event we threw at you, you were there. Your willingness to help at all hours (often with very little warning) gave us a place to come together and feel heard.

And of course, we couldn't have gotten anywhere without Mr. Rippard. Whether it was organizing, problem-solving, or just being the calm in the chaos, you always showed up. You believed in us, supported us, and kept things moving even when we didn't. There's no version of this year that works without you, and we all know it.

This class has endured late nights, early mornings, wins, losses, growth, disappointment, and heavy cases of senioritis. But despite all the challenges we've faced, they have only made us stronger and ready for what's next. Thank you to every adult who helped us get here. You didn't just raise students — you raised graduates.

From the bottom of our hearts, thank you!
