### OUR WINGS ARE READY TO FLY

On behalf of myself, the class council, and every graduating student of 2026, I want to express our deepest gratitude. To those who helped us, believed in us, and stood by us—you made all the difference. Our dreams, our goals, and our senior year memories would not be the same without you. And who am I talking about? I'm talking about you—our parents, grandparents, teachers, administrators, counselors, and everyone who supports students inside and outside of school. This thank you is for you, and you truly deserve it for all the encouragement, guidance, and support you've given us, even on our hardest days.

As the senior class of 2026 comes to its end, I want to look back at all we've accomplished this year. Some of my highlights: Senior sunrise; Friendsgiving; USO movie day; Powder Puff; senior lunch; Decision Day; and all of the events yet to come. Wow, isn't that impressive! But none of it would have been possible without the support of so many people: the parents who donated candy, brought us lunches, made contributions, and volunteered their time; the USO; our administrators-Mr. Clites and Dr. Kelly; Mrs. Imrie; and, of course, our senior class council.

It wouldn't be a proper thank you without mentioning the generous organizations who have awarded us scholarships. Once again, thank you to all of the organizations, families, individuals, and staff for supporting us on our journey to fly.

Together, you helped us rise. And now, as the Senior Class of 2026, we are ready to soar.

—Dylan Lentz

the person you've become.  
Keep chasing your dreams—we  
will always be here, cheering you  
on every step of the way.*

Daddy Gian, Mommy & Jacob

### WE PROMISE TO MAKE YOU PROUD

As the graduating Class of 2026 at Osan Middle High School, we would like to express our deepest gratitude to all of you. Growing up in a military environment is such a unique experience, and we could not have reached this milestone without your unwavering support and encouragement.

**To our parents:** Thank you for your endless love, sacrifices, and for guiding us through every transition. We know dealing with our mood swings while simultaneously navigating PCS moves and military life wasn't easy. You have been our rock, teaching us resilience and showing us what true dedication looks like.

**To the faculty and staff at OMHS:** Thank you for believing in us, pushing us to reach our full potential, and creating a supportive environment where we could thrive both academically and personally. We also want to thank you for answering our frantic, last-minute emails about grades, for making learning fun even on gray Monday mornings, and for guiding us through the chaos of high school while we simultaneously went through senioritis.

**To the Osan Air Base community:** Thank you for making this base feel like home. Whether you were cheering us on at sports games, feeding us at the Food Court, volunteering at school events, or providing us with safe spaces to grow, your support has left a lasting impact on our lives.

As we prepare to step out into the world to pursue college, careers, and new adventures across the globe, we will all take a piece of Osan with us. We promise to make you proud and to carry the values of this community wherever we go.

Thank you for believing in us and for helping us reach this milestone.  
With our deepest appreciation,

- Osan Middle High School Class of 2026

Seniors traveled to Incheon Global Campus to explore American university options in Korea.

John and Diego won the Senior Dice Game competition.

King Art and Queen Caroline were crowned for Homecoming 2025.

Seniors are ready for winter break.

President Amani, VP Caroline, Secretary Alicia and Event Coordinator Xavier led seniors through their final year of high school.

**Anai**

*Anai, your hard work and success make us so proud. Shine bright at UCR!*

Love, NeNe and Mommy

**NEVER FORGETTING THE NEST**

As the class of 2026's graduation fast approaches, we'd like to take this opportunity to look back on the myriad support through the Camp Humphrey's community that has allowed us to reach this great milestone in our lives and begin our first steps into the adult world. The unconditional encouragement school faculty, community leaders, and peers have shown throughout our high school years has grown camaraderie, capability, and confidence in the senior class and given us great hope in our futures despite the admitted anxiety that such a great transition can bring. We hope to achieve great things in our adult lives, and it is through the experiences you have given us that we have a solid foundation to begin each of our journeys. Across any distance, no Blackhawk flies alone, and we'll never forget those who taught us to fly.

During and directly after school, no group has had more of an impact on us than the teachers, administrators, and coaches of Humphreys High School itself. We want to express our appreciation for the sacrifices they have taken to push us to be the best we can be. The classes, clubs, and sports programs of our high school years have been essential to growing our curiosity about the world and building the social and academic skills necessary to become effective leaders and community members. Whether it's fondly recalling seeing our teachers at 1 a.m. on the same document as us or remembering when a coach went out of their way to make us feel heard, each student will leave this school with moments that we will cherish and carry with us. There's nothing we could do to fully express our thankfulness that you took the time and effort to give us those moments.

To our families. The ones that have been with us through thick and thin. You've worked hard alongside us through our worst moments and been the primary force guiding us to our futures. Thank you for acting as a safety net and support structure during this time of change, especially for those of us in a new country, new school, and new community. Without you, we could not have accomplished all that we have so far. Your love and support mean more to us than you could ever imagine. We dedicate our future - the endless possibilities soon to come - to you. There is no amount of gratitude that can express our appreciation for you, but one day, after the drive you've instilled in us leads to achieving our goals and aspirations, we hope you'll be able to see that your efforts have not been wasted.

Finally, we'd like to thank the Camp Humphreys community and The Republic of Korea as a whole for supporting the schools that made our education possible. Not many other high schoolers have the chance to experience schooling in the same way we have, and the fact that we were exposed to a diversity of culture and perspective that comes with learning on an overseas military base means that we will enter adulthood with a broader worldview than we may have without this opportunity. We are eternally grateful to be hosted by such a wonderful country and supported by such a dedicated garrison.

To everyone who made this graduation possible, from guiding us through personal difficulty, to teaching courses that push our thinking, to allowing us the unique experience of exploring Seoul before the stress of midterms hit, we thank you for making us proud to graduate in 2026!

— Orion James & Kipuha John Fejeran,  
On behalf of the Humphreys 2026 graduating class

Seniors' last pep rally.

Senior soccer ladies are all smiles.

**Eileen**

*Congratulations! Keep shining bright as you start your next big adventure. We are so proud!*

Mom, Dad, and Shawn

**Joshua**

*Josh, So proud of you! Your hard work and determination brought you here. Congratulations!*

— Love, The Overton & Ward Family

**Ryan**

*To my amazing baby: You are strong, loved, and destined for greatness. Congratulations! So proud of you.*

— Love, Mom.

**Isaac**

*Congratulations Isaac! The world is waiting for you. Always believe in yourself and chase your dreams.*
