"Thank you for raising us. Thank you for teaching us. Thank you for picking us up when we fell down, and thank you for leaving us on the floor when we needed to learn how to stand on our own. Even when we didn't want to, you encouraged us to try harder. You guided us on the right path, even if it meant shoving us out the door to school."

YOU GUIDED US ON THE RIGHT PATH

As the school year comes to a close, we would like to thank everyone who helped to make our journey possible.

First, our teachers deserve appreciation. Thank you for teaching us about the world. Thank you for teaching us how to become adults. Thank you for being patient with us as we failed and didn't live up to your expectations. Though we didn't always appreciate it in the moment, we are grateful now for everything you taught us.

We'd also like to thank our coaches. Thank you for giving your time so we can develop our physical talents. Thank you for staying after school for practice, giving up your weekends, and staying up late to make sure things were ready for our team trips. Thank you for being patient when we missed practice or failed in our responsibilities. Thank you for growing us into better athletes, students, and leaders.

A resounding thank you must be given to Ms. Arroix, the Class of 2025 counselor for the past three years. Ms. Arroix made it all possible. She met one-on-one with us to ensure we had enough credits to graduate. She discussed with us our college plans and gave us the resources we needed to succeed. Ms. Arroix has always been prompt to respond to our emails and considerate as she handles our last minute scholarship requests. Thank you, Ms. Arroix.

The Kadena High School PTSO also deserves our appreciation. They, truly, are the ones that have made our off-base graduation a reality. Without their unique network of parents and community connections, our graduation venue would not have been possible. We appreciate their tireless efforts over the last four years to provide us with everything from morning-time snacks to student council support.

Speaking of graduation, all the other fun senior activities would not have happened without the diligent efforts of our club sponsors, Ms. Hamilton and Mr. Campbell. Thank you for giving your time to make sure we had great senior class events. Thanks for encouraging us to check our emails (which, let's be honest, we don't) so that we could be up-to-date with everything happening.

Finally, a reverent and sincere thank you must be extended to our parents and guardians. Thank you for raising us. Thank you for teaching us. Thank you for picking us up when we fell down, and thank you for leaving us on the floor when we needed to learn how to stand on our own. Even when we didn't want to, you encouraged us to try harder. You guided us on the right path, even if it meant shoving us out the door to school. When we didn't want to admit it, you were right all along. And even now, though there are subjects on which we disagree, thank you for still loving us and granting us the ability to learn on our own. Soon, we'll be leaving home. But, before we do so, we just want to let you know how thankful we are for what you've done for us.

As the school year comes to a close, to everyone that supported our Kadena High School Class of 2025 in some way, we extend a final Thank You. Whether our paths continue to cross or we never meet again in life, we will carry your influence forever.

With gratitude,

- Baden Francis,
Kadena High School Senior Class President

YOUR SUPPORT HAD MADE
OUR TIME HERE SPECIAL

On behalf of the senior class of 2025 at Kubasaki High School, we would like to extend our heartfelt gratitude to all the parents, guardians, educators, staff, and faculty who have supported us throughout our high school journey. We are Nathan Reaves, Jaida Koweh, Brooklyn Ceranuto, and Javier Harris, and we have had the privilege of leading this incredible class.

Since the start of our high school career, we have witnessed our classmates grow and flourish in this nurturing environment, thanks to the unwavering support and encouragement from all of you. Your generous donations, limitless encouragement, and dedication have allowed us to create lasting memories and achieve remarkable accomplishments.

As we enter the final quarter of our senior year, we reflect on the many events and milestones we have celebrated together. From Senior Sunrise, Beach Bash, senior bowling, to senior hikes, none of these would have been possible without the guidance and support of our senior sponsor, Sophie Morris. Her commitment to our class has been invaluable, and we are deeply grateful for her efforts in making each event enjoyable and memorable.

We also want to acknowledge the hard work and dedication of our senior representatives: Jaida Koweh, Brooklyn Ceranuto, and Javier Harris. Their contributions have made our year more personal and have strengthened our bond as a class and family.

Connecting our class with the broader community has been a vital part of our experience at Kubasaki High School. We are deeply appreciative of everyone who has served, helped, guided, or cheered us on. Your support has made our time here special and unforgettable. Moments like senior nights for each sport filled with the cheers of loving parents and guardians, senior photos displayed around the community, and the laughter shared during classes and lunch with friends are because of the wonderful people surrounding us.

Thank you to every teacher, coach, family member, friend, and companion who has contributed to our high school journey. Your kindhearted actions have put smiles on our faces and have made our experience at Kubasaki High School truly eventful and memorable. We cannot express enough our gratitude for believing in us and ensuring we had an incredible high school experience.

Thank you for everything.

Sincerely,

- Nathan Reaves, Kubasaki High School Senior Class President
- Jaida Koweh, Kubasaki High School Senior Class Vice President
