I didn't mean it for everyone to translate. I was just talking to my daddy.

English: "Can we go? This is dumb.
Klingon: "maja'laHa'? naDev oH ghu'vam."

How can I tell if a woman likes me?

Say something to her and watch how pained she looks to take out her earbuds.

Pained?

Yeah, look for the degree of grimace, stink eye, and a low guttural sound.

Like a growl? Yes, but scarier.

Hey, Lisa, did you hear about the...

WUUUUT!

Not good! Not good! Not good!

FORT KNOX

Pipeel would like to hibernate in your car.

Why not?

That’s not going to happen.

Because he stinks.

That’s a low blow, father.

But it’s the truth.

Fine, I’ll make sure he smells good before putting him in your car.

So you’re going to wash him?

No, stuff ten air wicks in him.

I’m stuff.
