I DISCOVERED A WAY TO MAKE TIME STAND STILL.

That isn't possible.

I'll prove it.

I just need to find something on my phone and show it to you.

Looking...

Here it is!

Wait... no, that isn't it.

Looking...

**THE OTHER COAST**

I see a cloud shaped like a wolf and it's getting ready to pounce on your cloud.

My cloud has spotted your cloud and is floating out of reach.

Ah, but my cloud has circled around and has your cloud trapped.

I see another cloud shaped like a hunter with a big gun.

My cloud takes careful aim at your cloud.

Hah! My cloud is still there!

I had to pick a cloud with lousy aim.

It's not happening.

What's wrong??

Maybe she's finally wising up.

This time I won't get distracted by the ice cream truck!
